This tray is an extension for the DJ table 12160. With the tray, you get a second level and can thus place additional equipment within reach. The height-adjustable and tiltable plate has a support surface of 400 x 300 mm and an integrated stop bar. The inclination can be adjusted from 0 to 32° in 8 steps. Three different positions are available for mounting on the DJ table 12160.
