

Thank you for choosing COLBOR product. Please read this manual carefully before use and follow all instructions mentioned herein.

### Caring For Your COLBOR Product

- Please keep the product in a dry, clean, dust-free environment.
- Keep corrosive chemicals, liquids and heat source away from the product to prevent mechanics damage.
- Use only a soft and dry cloth for cleaning the product.
- Malfunction may be caused by dropping, impact of external force.
- Do not attempt to disassemble the product. Doing so voids warranty.
- Please have the product checked or repaired by authorized technicians if any malfunctions happened.
- Please remove the USB charging cable when the battery is fully charged.
- The product might get hot during use, which is normal. Please allow certain space for heat-sink when using it.
- If you do not use the product for a long time, it might not be able to turn on instantly due to dead battery. Please charge the product and it can resume to work. Please charge the product every 3 months regularly.
- Failure to follow all the instructions may result in mechanics damage.
- Warranty does not apply to human errors.

## Specifications

Color Rendering Index (CRI)	≥98
Color Temperature Range	2500K-9000K
Number of bead	105
Display Screen	OLED 23x13mm
Power	8W
Battery Capacity	5000mAh
Runtime	About 125 minutes at 100% brightness

Cooling Mode	Passive
Power Input	Type-C
Power Output	Type-A
Input&Output Voltage/Current	5V/2A (Max)
Battery Charging Time	About 3 Hours
Working Voltage	3.7V
Power Requirement	Built-in Lithium Battery /DC Power Supply
Housing Material	ABS
Dimension	125x75x17mm
Net Weight	187g
Operating Temperature	-10-50°C

## Package List

PL8R LED Light x1

Magnetic Metal Plate x1

Cold Shoe Mount x1

Type-C Charging Cable x1

Light Diffuser x1

Packing Bag x1

User Manual x1

## WARRANTY

### Warranty Period

Thank you for purchasing COLBOR products.

1. Customers are entitled to free replacement or repair service in case of quality defect(s) found in the product under normal use within 30 days upon receipt of the product.

2. Original COLBOR products are entitled to 12-month limited warranty service. The warranty period begins on the date of purchase of brand new, unused products by the first end-user.

Within the warranty period, if product defect or failure is attributable to material defecation or technological problem, the defective product or defective part will be repaired or replaced without charge (service and materials fee).

### Warranty Exclusions and Limitations

1. Faults resulted from inappropriate use of a product without following its operation specification
2. Artificial damage, e.g. crash, squeeze, scratch, or soaking
3. Modifications to a product by its user or a third party without prior written consent of COLBOR, e.g. replacement of element or circuit, label alteration
4. The code on product is inconsistent with that of warranty certificate, or the code on the product or warranty certificate is altered or torn off
5. All consumable accessory attached to a product, like cable, wind muff, battery
6. Faults as a result of force majeure, such as fire, flood, lightning, etc.

### Warranty Claim Procedure

1. If failure or any problem occurs to your product after purchase, please contact a local agent for assistance, or you can always contact COLBOR's customer service through email.
2. Please retain your sales receipt and warranty certificate as proof of purchase. If any of these documents is missing, only sales return or chargeable service will be provided.
3. If the COLBOR product is out of the warranty coverage, the service and the parts cost will be charged.

## WARRANTY CERTIFICATE

Please register your warranty. Meanwhile, you are welcomed to contact us via Email.
